Bamganie Pets Cremation Service offer individual and shared cremation and burial facilities, along with medical and other waste removal services.

We operate specialised cremation for animals of all sizes, including our unique equine and large animal cremation service. Our broad range of mementos and urns will give you a fitting choice proving the memorial that your cherished pet deserves.

We understand that pets are a part of the family and deserve to be treated with dignity and respect and we ensure that this is accomplished through our quality practices and procedures. Our promise is to continuously provide a compassionate, respectful and high-quality service throughout Victoria.

Pets are a part of the family, a best friend and a companion. That is why we are committed to providing a dignified act of homage for the life of your pet. We offer collection options directly from your home, your local veterinary clinic or emergency hospital to ensure the process is as easy as possible for grieving pet parents.

We offer the following pet cremation services for your beloved pet:

Individual Pet Cremation

Your pet will be individually cremated, and their ashes returned in a receptacle chosen by you.

Shared Pet Cremation

Your loved pet will be part of a shared pet cremation. Their ashes will be scattered on our rose garden in the grounds of Bamganie and you will receive a cremation certificate as part of this pet cremations service.

If you would like further information on prices or would like to organise a collection, please call our friendly Customer Service Team on 1300 514 414 or speak to your veterinarian today.
